

Europass Curriculum Vitae

Personal information

| | |
|----------------------------|---|
| First name(s) / Surname(s) | Ricardo Jorge Tomé Gonçalves |
| Address | Rua Padre Manuel Alaio, 115 2ºDT, 4710-414 Braga (Portugal) |
| Mobile | 910467537 |
| E-mail(s) | tome.wave@gmail.com, tome@di.uminho.pt |
| Nationality | Portuguese |
| Date of birth | 28 November 1987 |
| Gender | Male |

Work experience

| | |
|--------------------------------------|--|
| Dates | April 2010 - April 2012 |
| Occupation or position held | Researcher for project CASTOR - Causality Tracking for Optimistic Replication in Dynamic Distributed Systems |
| Main activities and responsibilities | Implement, evaluate and improve the deterministic causality tracking mechanisms developed: ITC (Interval Tree Clocks) and DVV (Dotted Version Vectors) |
| Name and address of employer | University of Minho Braga (Portugal) |
| Type of business or sector | Professional, scientific and technical activities |
| Dates | 01 February 2009 - 30 April 2009 |
| Occupation or position held | Programmer in BIC (Bolsa de Investigação Científica) |
| Main activities and responsibilities | Java Programmer: development of the LPtracker software. |
| Name and address of employer | University of Minho Braga (Portugal) |
| Type of business or sector | Professional, scientific and technical activities |
| Dates | 01 August 2008 - 31 October 2008 |
| Occupation or position held | Programmer in BIC (Bolsa de Investigação Científica) |
| Main activities and responsibilities | Java Programmer: development of the LPtracker software. |
| Name and address of employer | University of Minho Braga (Portugal) |
| Type of business or sector | Professional, scientific and technical activities |

Education and training

| | |
|--|--|
| Dates | 01/2010 - 08/2012 |
| Title of qualification awarded | 2nd year MSc Informatics - Master Thesis |
| Principal subjects / occupational skills covered | Title: "Logical Clocks for Could Databases" |
| Name and type of organisation providing education and training | University of Minho (University) Braga (Portugal) |
| Level in national or international classification | 18/20 |

| | |
|--|--|
| Dates | September 2009 - February 2010 |
| Title of qualification awarded | 2nd year MSc Informatics - UCE15 Seminars |
| Principal subjects / occupational skills covered | Curricular unit where students work in teams to develop a software product and to analyse its market value. It constitutes an opportunity for students to develop their technical, engineering, managerial and entrepreneurial skills. |
| Name and type of organisation providing education and training | University of Minho (University) Braga (Portugal) |
| Level in national or international classification | 17/20 |
| Dates | September 2008 - August 2009 |
| Title of qualification awarded | 1st year MSc Informatics |
| Principal subjects / occupational skills covered | 1) Distributed Systems: - Large-Scale Systems - Fault Tolerance - Mobile Systems - Transactional Distributed Systems - Distributed Objects - Fundamentals of Distributed Systems 2) Application Engineering - Infrastructure Data Center - Administration Database - Application Architecture - Interactive Systems |
| Name and type of organisation providing education and training | University of Minho (University) Braga (Portugal) |
| Level in national or international classification | 17/20 (AE), 16/20 (DS) |
| Dates | 9/2005 - 8/2008 |
| Title of qualification awarded | Degree in Computer Engineering |
| Principal subjects / occupational skills covered | Mathematics, Programming (Imperative, Functional, Logic and Object Oriented), Computer Architecture, Algorithms, Processing Languages, Operating Systems, Concurrent Programming, Databases, Operational Research, Formal Methods in Programming, Software Engineering, Computer Graphics and Computer Networks. |
| Name and type of organisation providing education and training | University of Minho (University) Braga (Portugal) |
| Level in national or international classification | 15/20 |
| Dates | 9/2002 - 7/2005 |
| Title of qualification awarded | High School - 12th year: Scientific-Natural |
| Principal subjects / occupational skills covered | Mathematics, Physics, Chemistry, Portuguese, English, Psychology, Philosophy. |
| Name and type of organisation providing education and training | Colégio Didálvi (High School) (Portugal) |
| Level in national or international classification | 16/20 |
| Personal skills and competences | |
| Mother tongue(s) | Portuguese |

| | | | | | | | | |
|--|----------------------|-----------------|---------|-----------------|--------------------|------------------|-------------------|------------------|
| Other language(s) | | | | | | | | |
| Self-assessment | Understanding | | | | Speaking | | | Writing |
| European level (*) | Listening | | Reading | | Spoken interaction | | Spoken production | |
| English | C1 | Proficient user | C1 | Proficient user | B2 | Independent user | B2 | Independent user |
| (*) Common European Framework of Reference (CEF) level | | | | | | | | |

| | |
|-------------------------------|---|
| Social skills and competences | Experience of working as a team (academic and sports context). |
| Other skills and competences | Practitioner (or former practice) of sports such as athletics, hockey, basketball, soccer, swimming and table tennis. |
| Driving licence(s) | B, B1 |
